

## STUDY WITH SCHOLASTIC ELEMENTARY ENGLISH

Elementary English is a complete, practical and easy-to-teach course aimed at first-generation English learners. This approach follows the current curricula of the CBSE, ICSE and major state boards. The pedagogical principles followed are designed to encourage participatory learning and collaborative practices.

### EACH LEVEL CONTAINS

Course Book    Workbook    Audio CD    Teacher's Manual

### UNIQUE FEATURES:

- ☞ The series helps first-generation English learners gain proficiency in the language.
- ☞ Variety of classic and contemporary texts to introduce students to the different styles of writing.
- ☞ Focus on oral communication, using the audio component as a crucial tool in the learning process, especially for pronunciation and conversation practice.
- ☞ Grammar and language items are introduced in an easy-to-grasp format.
- ☞ Teacher's manual with teaching ideas, strategies and resource material.
- ☞ Fun-filled activities and exercises in the Course Book and Work Book to learn and reinforce concepts.
